Dear Stephanie,

This letter is in regards to the 11/5/13 compliance check of your Category B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1)o Nonsmoking signs posted at every entrance of the home and in every vehicle used to transport children. Signs include telephone # for reporting complaints, and [www.iowasmokefreeair.gov](http://www.iowasmokefreeair.gov). (You need to post the 2 no-smoking signs I shared with you next to your front and back door.)

110.5(2) A provider file is maintained and contains:

☐ 110.5(2)b Certification by an approved trainer/organization in infant and child first-aid that includes mouth-to-mouth resuscitation. Certification will be maintained throughout period of registration. If they are unable to locate first aid training that includes mouth-to-mouth resuscitation, they must complete both a first aid course and CPR. (You need to renew your CPR/First Aid certification. I will also accept dates of confirmed enrollment if you cannot complete a course by the due date.)

☐ 110.5(2)d An individual file is maintained for each substitute and contains:

☐ 110.5(2)d Certification in infant and child first aid that includes mouth-to-mouth resuscitation. If they are unable to locate first aid training that includes mouth-to-mouth resuscitation, they must complete both a first aid course and CPR. (Donna needs to renew her CPR/First Aid certification. I will also accept dates of a course to be taken if this cannot be completed by the due date of this request.)

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations on or before 12/23/13.**

☒ Based on the items out of compliance listed above, a re-check or follow-up visit to your home is not necessary. However, it is essential you come into complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary**

corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.

Please sign and date below, and return this form in the provided envelope by: 12/23/13.
